

What's New at the Alternative Fuels Data Center February 2003

Listed below are new publications and other information made available in February through the U.S. Department of Energy's Alternative Fuels Data Center (AFDC). The AFDC is sponsored by the Clean Cities Program in the Office of Energy Efficiency and Renewable Energy (EERE), and is managed by the National Renewable Energy Laboratory. For more information, with questions, or to subscribe to this monthly update, contact Wendy Dafoe at wendy_dafoe@nrel.gov, or call 303-275-4470.

This update is posted on the Web at www.ccities.doe.gov/toolbox/coord_news.shtml.

The **State Energy Program solicitation** was issued in February. The Clean Cities Program solicitation and the master solicitation notice are available at http://www.ccities.doe.gov/funding_opps.shtml. **The file attachment at the bottom of each notice contains the actual solicitation.**

The **Clean Cities Conference** is fast approaching! Preliminary agenda brochures will be mailed the second week in March. Please call the Hotline if you need a copy. 1-800-CCITIES. See the conference Web site for details
http://www.ccities.doe.gov/conference/palm/palm_home.shtml.

EPA has a number of informative email services covering topics on climate change. To view the lists and sign up, go to
yosemite.epa.gov/oar/globalwarming.nsf/content/ResourceCenterListServs.html.

Battery-Powered Electric and Hybrid Electric Vehicle Projects to Reduce Greenhouse Gas Emissions: A Resource Guide for Project Development is available at http://www.ccities.doe.gov/international/pdfs/hev_ev_ghgreductions.pdf. Provides technology options for EVs and HEVs, emerging regulatory options, and procedures for estimating GHG reductions for these technologies. The report is 67 pages plus appendices.

Flex your Muscles with Clean Energy Exercises: A workbook for Middle School Students was produced by SunLine Transit Agency and Schatz Energy Research Center.

A quick reminder about some Web site locations:

Tiger Teams <http://www.ccities.doe.gov/tiger.html>. A link is in the Support and Funding section of Clean Cities.

AFV Resale page is at <http://www.afdc.doe.gov/afv/usedafv.shtml>. The AFDC and Clean Cities Web sites routinely refer to this link as AFV Resale, not as Used AFVs.

The **School Bus Tutorial** that will assist you with writing a SEP proposal for school buses. It's on the Web at <http://www.ccities.doe.gov/funding.shtml#bus>. There's a proposal template and a "how to" tutorial.
